## Press Release

### DMS International Announces GSA Total Solutions For Law Enforcement Award

**Silver Spring, MD 7/26/2011:** DMS International (DMS) today announced the award of a Total Solutions contract, by the General Services Administration (GSA).

The awarded contract is for Law Enforcement solutions, typically referred to as Schedule 84. With this new contract, DMS can provide Harbor/Waterfront Security products and services and Professional Marine Security Services.

"We are pleased to have both the opportunity to provide such critical services to our law enforcement professionals as well as an additional avenue for our customers to access DMS", commented Mr. Mark Czajkowski, Business Development Manager for DMS. The Total Solutions contract encompasses shoreline and harbor protection, as well as ports, and federally controlled lakes and rivers and services.

DMS' winning solutions provides clients with real savings, the flexibility and the ability to choose from a selection of options, time-saving, transparency and control of their procurement.
